Welcome to the Monthly eNewsletter from NCCCLA!

This email contains news from NCCCLA members and partners, news items of interest about U.S. community colleges, and upcoming events.

A Note from Our President

Summer for NCCCLA is often a time for planning. Jennifer Seagraves is narrowing down locations for our 2020 Conference. She is having her first planning committee meeting this month, so you know more details will come soon!

Be on the lookout for information about your District meetings. Summer can be a great time to hold these. Bring a colleague along, they could be our next new member! Take pictures of your meetings and send them in to us at nccclibraryassociation@gmail.com. We are always looking for new photos to use on our website.

As always please let me know if you have any questions! Happy Summer!! Happy pool party, enjoy the sunshine, and stay safe!

NCCCLA New Member Highlights

Emily Bergen is the new PSEC Campus Librarian at Wake Tech. She received her MLS from Clarion University and her BFA in Printmaking with a minor in Art History from the University of the Arts. Emily most recently served as the Library Director at the Art Institute of Raleigh-Durham and has experiences that include time at the Rosenbach Museum and Library and The Mutter Museum. As a true crime fanatic, she is excited to serve the criminal justice department as well as the rest of the Public Safety community at Wake Tech. Emily is also a big animal lover, a practicing visual artist, and in her free time likes to read comics and watch horror movies.

Hello my name is **Amanda Winfrey**. I am a Library Circulation Assistant at South Piedmont Community College. I work primarily on the Polkton Campus in the Horne Library. I have worked in the library full-time for seven years. I recently took on the task of managing our college archives, and that has been a very rewarding experience. In 2017, I joined the North Carolina Community College Archive Association, and now I serve on the executive board as the treasurer. I am currently finishing my BLS degree with a concentration in Social Science. In my spare time when I am not studying or doing homework I enjoy spending time with my family, cooking, and watching crime shows.
