§ 125-11.7. State Library designated the official depository for all State publications.

"State publication" means any document prepared by a State agency or private organization, consultant, or research firm, under contract with or under the supervision of a State agency: Provided, however, the term "State publication" does not include administrative documents used only within the issuing agency, documents produced for instructional purposes that are not intended for sale or publication, appellate division reports and advance sheets distributed by the Administrative Office of the Courts

Digitization Request

This form can be used to request that items in the State Library collection be made available online. Submit this form to complete your request. We appreciate your input. Your requests help us identify and prioritize the highest-value items in our collection for digitization. Please note that digitization selection and processing can take up to 4-6 months. We will not be able to fulfill all requests (for example, if items requested are under copyright). Include your e-mail address if you would like updates on this item's digitization status.

NOTE: Any item in the collection that is not a state publication and was published after 1924 is not eligible for digitization due to copyright restrictions. In addition, at this time, we are unable to digitize microfilm, video, or audio. Please request these items at your local public library through Interlibrary Loan. [See the digitization queue and get additional information](#)
